**ACE HARDWARE TO PRESENT CHECK TO LITTLE LEAGUE
FOR RENOVATION OF COUNTY BASEBALL FIELD**

MILWAUKEE – County Executive Scott Walker will congratulate the Beckum-Stapleton Little League as they accept a check from Ace Hardware at Carver Field tomorrow. The check, along with \$2,500 in Ace gift cards, is being presented to the Beckum-Stapleton Little League for improvements to the baseball field at the park. The league was a winner in Ace Hardware's national "Fields for the Future" contest.

The press conference will kick off a day of improvements at the park that will include replacing the backstop fencing, painting the bleachers, and building up the pitchers' mounds. Helping with the work will be national home improvement expert and Ace "Helpful Hardware Man" Lou Manfredini, and a team of volunteers.
